**Job Title:** Kindergarten Assistant - Modern Apprenticeship  
**Contract:** 2 years fixed term – 30 hours per week  
**Salary:** Modern Apprenticeship National Minimum Wage  
**Employer:** Rowanberry Mini Kindergarten

#### **Work Environment:**

You would be working with a childminder caring for 10 - 12 children. Half of the children are under school age so there will only be 5 pre-schoolers most mornings at first. They have recently renovated a cottage to provide holistic and meaningful experiences for a mixed aged group of children in a child led kindergarten type environment. The service on offer is already proving popular and they now need an assistant to be able to meet demand. This is an excellent opportunity for a young person who loves children and animals, spending time outdoors and would like an opportunity to develop a career in this area.

#### **What might a day in this job look like?**

This childcare business operates from a home. There are pros and cons of working with a childminder. There is greater freedom to really offer child-led activities. They have the use of a 7 seat car so can do trips, many of which will be into the woods for nature play. There will also be some domestic duties within the family home such as cleaning and keeping all areas tidy.

The Childminder will be doing school pick-ups and drop offs so there will be times when you will be left alone with between one and three children. You will not be required to do nappy changes. You will prepare snack together with the children.

You will learn something about Steiner and Froebel methods as the Childminder has been a Steiner teacher and more recently has completed Froebel training. There will be more cleaning involved in operating from domestic premises, including cleaning of the car but all this will be shared so that you have the right hands on experience to complete your course.

You would be encouraged to follow your passions and dance or do yoga with the children or arts and crafts or climb trees or tell stories with silly voices if that is what you are into. Children enjoy being with adults much more if they are having fun too.

#### **What will I learn?**

You will work towards SVQ Level 2 in Childcare and Education to become a qualified Nursery Assistant progressing on to SVQ Level 3 in Childcare and Education to become a qualified Nursery Nurse.

#### **What Qualifications / Qualities are required?**

- Candidates should have at least a National 4 in English and Maths.
- Looking for someone who is positive, reliable and caring with a natural love of children.
- You must be 18 years old by June 2017.
