Job Title: Business Administrator - Modern Apprenticeship (R059)

Contract: Permanent

Salary: National Minimum Wage

Employer:

A body workshop company based in North East Edinburgh.

Work Environment:

This national company is looking for a recent school leaver to join them in a Trainee Administration role. You will be providing a hugely important role, supporting the rest of the team with day-to-day administration aspects of the business. This is a great working environment for someone looking for their first role.

What might a day in this job look like?

Based on reception, you will be:

- meeting and greeting customers
- ensuring any missed calls are replied to
- updating customers on the progress of their cars
- updating the history trail on the computer system
- managing the daily post, banking and petty cash
- keeping reception area tidy
- general administration.

What will I learn?

You will undertake an SVQ Level 3 in Business and Administration.

What Qualifications / Qualities are required?

Ideally, we are looking for at least Higher English and possibly Administration or Business Management. However, a good set of National 4 and 5 or equivalent will be considered. We are looking for someone who is positive and enthusiastic, looking forward to starting their career.

Closing Date:

This position will be closed when a suitable applicant is found.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Trainee Administrator - Modern Apprenticeship (R060)

Contract: Permanent

Salary: £10,500 - £11,500 per annum

Employer:

This employer provides recruitment services to the FMCG sector, including manufacturing, engineering and technical sectors. FMCG (fast-moving consumer goods) are products that are sold quickly and at relatively low cost. Due to continued expansion, they now require an additional Recruitment Administrator to join the Talent Acquisition Team.

Work Environment:

Reporting to the Talent Acquisition Team Manager, you will be:

- answering the telephone and directing candidate and client calls to sales consultants
- providing administrative support to consultants and management
- updating databases and spreadsheets
- sending out mailshots to both candidate and clients
- registering, updating and re-formatting candidate CVs
- updating internal candidate information onto database
- general administration tasks.

What will I learn?

You will undertake an SVQ Level 3 in Business and Administration delivered by Rewards Training.

What Qualifications / Qualities are required?

Ideally, we are looking for National 5 or equivalent including Maths and English, and/or Higher Grades.

You should also meet the following criteria:

- Articulate, credible and professional with strong verbal and written communication
- Good accuracy and attention to detail
- Experienced user of Outlook, Word, Excel and Internet
- Able to work in a fast-paced environment
- Comfortable with multi-tasking and working to various deadlines
- Able to provide verified work references.

Closing Date:

This position will be closed when a suitable applicant is found.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Leisure Attendant – Employability Fund

Contract: This is a 12 week work placement. Successful applicants may secure a job and progress to a Modern Apprenticeship.

Salary: Employability Fund Training Allowance of £55 per week plus travel expenses may be available.

Employer:

Edinburgh Leisure is Edinburgh's biggest provider of leisure services, with over 4 million customer visitors a year to their 30 venues across the city.

Work Environment:

Edinburgh Leisure makes a positive difference by:

- welcoming all
- everyone caring about what they do
- being passionate about how they do it
- feeling proud of what they achieve.

What might a day in this job look like?

Full training and induction will be provided and there will be regular ongoing training to support you in the role. Once trained, your tasks could include:

- interacting with your customers in a positive and helpful manner
- following task sheets for each shift to ensure effective contribution to the presentation
- ensuring that the venue and grounds are clean at all times
- ensuring that equipment is set up correctly, in full working order and according to customer needs
- covering allocated areas at key times, i.e. pool lifeguarding, entrance area etc
- supporting the whole team in the delivery of events within the venue
- taking an active role in the safety of yourself, your team, the facility and customers.

Please note shifts may include early starts, late finishes and weekend work.

What will I learn?

- You will learn how to be an effective member of the team working in a leisure environment.
- You will receive industry related training including National Pool Lifeguard Qualification (NPLQ) certificate. The cost of the NPLQ (approx. £250 pp) is covered on this programme.
- On successful completion of the programme, candidates will be invited to interview with employer.
- Successful candidates, following interview, can progress to a job and begin working towards an SVQ Level 2 in Sport and Operational Services or an SVQ Level 2 in Activity Leadership.

What Qualifications / Qualities are required?

As a Leisure Attendant, you are responsible for delivering a great service to customers. It's all about the customer and providing them with a clean, safe, welcoming venue that is ready to use. This is a really hands-on role and it goes without saying you're a natural people person with a passion for customer service and attention to detail.

Please Note: Due to funding restrictions this opportunity is only for candidates who live in Edinburgh.

As a part of the interview/selection process you will be required to complete a swim test before you are accepted on the programme.

We are currently looking for applicants who are 18+.

Closing Date:

We will continue to accept applications until suitable candidates are found.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Trainee Workshop Engineers/Installers – 2 posts

Contract: Permanent

Salary: £14,665 per annum

Employer:

Capital Document Solutions is Scotland's largest independent supplier of office equipment and document solutions, with over 200 employees working out of Edinburgh, Glasgow, Aberdeen, Dundee, Inverness and Shetland. We provide print and document solutions tailored to specific business needs to a large customer base, with offices and premises throughout Scotland.

As the major Scottish dealer for market leaders Ricoh, Konica Minolta, HP and Canon, we work closely with our customers to achieve significant reductions in their operating costs through our managed print services and at the same time, help them to reduce their carbon footprint. We are a leader in our field and also one of only 8 approved Scottish Procurement public sector suppliers. Our reputation in the industry is second to none and has been established over the years by our highly trained staff. Capital has grown significantly since being established in 1979 and acquired Highland Office Equipment in 2013. We are an ISO 9001 (Quality) ISO 14001 (Environment), ISO 27001 (Data Security) and Cyber Essentials (Data Security) accredited company

Work Environment:

Mainly based in the Edinburgh HQ workshop on McDonald Road, the job will develop across two main roles:

- Training on all aspects of the devices in the workshop, including the addition of associated software
- Delivering and commissioning the devices in clients' premises.

You will work 37.5 hours a week, Monday to Friday. Progressive basic salary as you complete training levels. Generous 33 days' holiday (increasing to 36 days after 2 years' service and 38 days after 5 years), including public holidays. Auto enrolment into the company pension scheme after 3 months. Clothing and safety equipment provided.

What might a day in this job look like?

- Shadowing and assisting /learning from the more experienced engineers
- Building and repair machines
- Installation of devices into clients' premises
- Fault find and decommission or refurbish devices
- Loading and driving vans
- Checking the installation access and site
- Liaising with the clients.

What will I learn?

- Training will be geared towards achieving an SVQ Level 3 in Engineering Maintenance (Electronics). Attending day release at a local technical college will be required.
- Career progression beyond gaining the SVQ, which typically takes 3-4 years to complete, could lead to opportunities, as they arise, depending on aptitude, as follows: field maintenance engineer, helpdesk engineer, IT software support/ solutions engineer or even a move into a sales executive position. Equally, you may develop to

become a senior member of our Workshop team. Our management team in Service have generally started out as junior or trainee engineers.

- Full training will be given to service, customise, commission and refurbish top-ranked multi-functional printer/copier/ scanning devices.
- Health & Safety and environmental training.

What Qualifications / Qualities are required?

- No previous experience of digital office equipment is required, but you should have a keen interest in electronics/electro mechanics, and the ability to interpret colour output from a black to colour printer/photocopier
- You should have a clean driving licence to take your turn driving the Luton vans, with ideally at least a year's driving experience under your belt. A driving assessment will be undertaken for each trainee beforehand and you will initially be accompanied by more experienced engineers.
- Our reputation is built on excellent customer service and "can do" should be a natural part of your make-up, whether you are engaging with clients, suppliers, colleagues or the public.
- Attitude is as important as the skills that you bring to this role. We aim to grow our business through growing our people and our vision statement is: *to continuously strengthen our business and be proud of all that we are and do*. To be successful, we will expect you to demonstrate personal values that match our company culture of integrity, responsibility, care and openness.
- Our engineers also load the devices on and off our Luton vans, for which you will require a good level of physical fitness, particularly to deal with more complex office installations.

Closing Date:

The opportunity will close when suitable applicants have been found.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Parts Person - Modern Apprenticeship

Contract: Fixed Term - 3 Years

Salary: £4.10 per hour

Employer:

Allied Vehicles are an automotive employer based in the West Craigs Industrial Estate near Edinburgh Airport. With more than 20 years' experience in the trade, Allied Vehicles offer superb value on a range of garage services, designed to make looking after customer vehicles as easy as possible. We provide MOTs, servicing, parts and repairs to insurance, commercial and private customers alike. Whatever their needs, no job is too big or too small for our highly qualified vehicle specialists.

Work Environment:

Working alongside qualified Parts staff in our Edinburgh team, our Workshop is fully equipped to meet our customer needs. There is a small staff canteen to have your lunch and a snack van is located within the estate, serving hot and cold food, snacks and drinks.

What might a day in this job look like?

You will be supervised at all times on your jobs, so full support is always on hand. You will attend college for the first 2 years of the apprenticeship and then complete one final year in the Workshop, which will complete your qualification to be a fully Time-Served Parts Person.

As a Parts Apprentice, you will be responsible for the following duties:

- To ensure that duties are carried out according to documented operational procedures
- On receiving Parts deliveries, informing the Parts staff of the delivery and assisting to check off deliveries to ensure correctness to order and specification
- Allocating Parts to correct bin locations
- Receipting Parts onto computer
- Assisting van drivers to load Parts delivery vans
- Completing returns notes for Parts to be returned to suppliers
- Making up kits for Parts sales
- Ensure that the department is kept clean, tidy and safe
- To answer phones and serve at the back counter
- To deal with the Technical enquiries and if unsure to ask for assistance from a qualified Parts Person
- Ensure that all Parts are charged out correctly against relevant account with correct quantities and discount
- To carry out any other duty that is consistent with this job description.

What will I learn?

- Level 3 Vocational Award in Motor Vehicle Parts Person
- Soft Skills (eg communication, teamwork, problem solving etc).

There is a lot of theory to learn at college, so you must be able to retain new information, with the ability to transfer this learning into the live environment e.g. this might be learning about braking systems on a vehicle and then working on jobs specifically to do with vehicle brakes on return from college, to apply your new learning. This will also involve writing up 'stories' on job cards for the jobs, so your attention to detail must be of a high quality.... both on the cars and on customer job cards.

What Qualifications / Qualities are required?

- National 4 / 5 English and Maths is required as a minimum.
- We are looking for applicants who are positive, reliable and enthusiastic.
- A driving licence is desirable but not essential.

Closing Date:

Sunday 25 February.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: IT Management for Business - Graduate Level Apprenticeship - 9 posts

Contract: 4 Years

Salary: £14,625 per annum starting salary plus company benefits

Employer:

CGI is a global business with 70,000 professionals in hundreds of locations across the Americas, Asia-Pacific and Europe who provide end-to-end IT and business process services that facilitate the ongoing evolution of our clients' businesses. CGI has been officially ranked number one for its outstanding employee offerings in the 2017 survey of UK companies by the Top Employers Institute. CGI also received Top Employer Europe certification for the 4th consecutive year.

Work Environment:

The best thing about joining us is that, while you may start working in one area, the opportunity to move internally is huge, so you can take control of your career from your first day. The Edinburgh Programme is sponsored by our North, Energy, Utilities and Telecoms (EUT) area of the business and you could be based from our Edinburgh or Glasgow office.

What might a day in this job look like?

We're offering you a unique opportunity to be part of something exciting and earn while you learn on our Edinburgh Graduate Level Apprenticeship. We're a company that each day enables the transfer of £3 trillion, protects against 43 million cyber-attacks, drives two thirds of the world's SMS messages, helps satellites journey into space, and who employs 70,000 professionals from hundreds of locations worldwide.

The nature of our business you work on 'projects', meaning you're never doing the same thing and you can have different roles across various projects, so there is no 'typical day'. As CGI is a consultancy, it may also mean you are working from your base office, on client site, in another CGI office or sometimes from home. You should therefore be prepared for some travel in your role. It really does vary at CGI and that's the exciting thing, it really is up to you to shape and develop your career in the direction you want to go with the support of others.

You will have a designated People/Career Manager who will support you with your career development and professional conduct at CGI. You will also have Line Managers on your projects that look after you on a day-by-day basis and a 'Buddy' who is a current or graduated student of a school leaver programme to help you with anything else you may need.

What will I learn?

Join our programme starting in September and you'll study towards a BSc (Hons) IT Management for Business (ITMB), one day a week at Edinburgh Napier University, whilst spending the other four days a week developing your career on real projects at CGI. You'll also benefit from a competitive starting salary, fully paid tuition fees and all the support you need to succeed. No one day is the same at CGI, meaning you can shape and develop your career throughout the course of the programme then continue with us after graduation.

This course will take four years to complete and, with our sponsorship, you won't have to pay a single penny in tuition fees. We'll even provide the course resources and materials required, so there's no need to worry about textbooks either. You can also use your laptop you are given when you join CGI to use at university. Individuals who participate in the scheme are able to access the same learning opportunities as those who go down the traditional route of direct entry into college or university.

What Qualifications / Qualities are required?

Right now, we're on the lookout for talent - students and school leavers, people who are passionate about technology and hungry to learn. You'll be proving yourself from day one - solving problems, taking responsibility and making decisions. And with open-ended prospects for advancement, you'll have every opportunity to reach the top.

The preferred requirement is 4 Highers at grade B or above including 1 in Maths, Physics or Computing (equivalent qualifications are accepted) unless you can show strong technical (programming/development) ability through work experience or extra-curricular activities. Also, at least 7 National 5s at grade 1-3 including English or Maths (equivalent qualifications are accepted).

Closing Date:

Wednesday 28 February.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

THE UNIVERSITY
of EDINBURGH

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Payroll Assistant - Modern Apprenticeship

Contract: Fixed Term - 18 months

Salary: £15,969 per annum

Employer:

The University of Edinburgh is the sixth oldest university in the English-speaking world and one of Britain and Ireland's seven ancient universities. It is made up of three colleges: Humanities and Social Science, Science and Engineering, and Medicine and Veterinary Medicine. Within these three colleges, there are 20 academic schools. The University attracts around 35,000 students and welcomes students from all corners of the globe.

Work Environment:

An exciting opportunity exists to join the Finance team as a Modern Apprentice Payroll Assistant. Our team purpose is to support the University in achieving its objectives by providing a high-quality payroll service to our staff. An average of 14,000 payees per month are processed with annual payments exceeding £400 million. Working in the busy Payroll team, you will be based in the city centre of Edinburgh on Chambers Street. The team consists of 10 staff to administer the service.

What might a day in this job look like?

Your typical duties will include:

Job Title: BT Apprentice Programme - IT Software, IT Network and Power Engineer

Contract: The length of the apprenticeship depends on the level of qualification you are working towards. Typically, our apprenticeships are between 18 months and four years.

Salary: £14,963 per annum

Employer:

BT is one of the world's leading communications services companies, serving the needs of customers in the UK and in more than 170 countries worldwide. Our main activities are the provision of fixed-line services, broadband, mobile and TV products and services as well as networked IT services. In the UK, we are a leading communications services provider, selling products and services to consumers, small and medium sized enterprises and the public sector. We also sell wholesale products and services to communications providers in the UK and around the world. Globally, we supply managed networked IT services to multinational corporations, domestic businesses and national and local government organisations.

Work Environment:

As an apprentice, you will earn a salary, work alongside and learn on the job from experienced BT colleagues to gain job-specific skills. In addition, you will work towards a nationally recognised professional qualification.

What might a day in this job look like?

The following apprenticeships are available in Edinburgh:

- **Information Technology Software - Full Degree Apprentice – one position**

Our full degree Software apprenticeship roles involve working to design, develop, implement, test and support software applications that help BT to run its networks and systems. This could include anything from working on web applications, apps for smart phones and tablets or on BT's internal systems. Regardless of the type of software role you do, at BT, you'll get to experience the full deployment process in a large corporate environment. During the apprenticeship, you will work towards a BSc (Hons) Digital and Technology Solutions.

- **Information Technology Networks – Advanced Apprentice – 3 positions**

BT's Network is at the heart of everything we do; from sending a text, to air traffic control. BT is an ever-growing company which means our network is constantly evolving. Apprentices play a key part to ensure that our networks are designed, tested, built and maintained with fresh, new, innovative ideas in mind. There is a broad array of network roles within BT. As an apprentice network engineer you'll have the opportunity to get involved in a number of areas including testing the latest networking technology, upgrading the existing network and the planning, installing and running of network elements.

Within the network apprenticeship, the roles are technically orientated. So, if you have an interest in what goes on 'behind the screen' and you have a real passion and drive to learn how it all works, Networks is the place for you.

- **Power Engineer – Advanced Apprentice – one position**

Engineering careers at BT are uniquely challenging, rewarding and diverse and are focused on providing a great service for our customers. As an Engineering apprentice at BT you will be joining a team of experienced engineers who will support and teach you the skills required to be successful in your apprenticeship role.

We have a variety of engineering apprenticeships. As an engineer, you may diagnose and fix faults on customer lines, work on and maintain the IP Networks, or even support BT's internal power network. This includes maintenance of power equipment such as high-powered generator engines, air conditioning units and other electrical safety systems that power the telephone exchange equipment. You may be in a role that requires you to provide a safety testing and repair service to our customers to make sure our equipment meet the legal obligations under Health and Safety legislation.

The Engineering roles are both varied and interesting and offer a great opportunity for you to develop your skills and your career. If you're the type of person who likes problem solving and is passionate about customer service, then we want you to apply. We're ready to provide you with a world class training experience. You just need to be customer focused, and be willing to get stuck in.

Note: We only accept one application to our Apprentice Programme, so please only apply to your first choice. If you're interested in more than one of our roles, you can state this on your application and we can then consider you for all of the vacancies you have selected.

What will I learn?

Our apprenticeships are designed so they offer a structured programme that takes the apprentices through the skills they need to do a job well. Along the way there are targets and checks to make sure each apprentice is supported and is making progress. We offer a range of apprenticeship levels dependent on your qualifications and the area of the business you choose to work in:

- Advanced - You'll work towards work-based learning Level 3 competence qualification (BTEC) learning functional skills which are supported by a knowledge based qualification such as an NVQ.
- Higher - You'll work towards work-based learning Level 4 competence qualification which is consolidated by the achievement of a foundation degree.
- Full Degree – You'll work towards a degree level qualification.

What Qualifications / Qualities are required?

- Advanced: You must hold or expect to achieve at least four National 5 qualifications including English and Maths.
- Higher: You must hold or expect to achieve two Highers at grade C in addition to the above.
- Full Degree: You must hold or expect to achieve three Highers at grades BCC as well as four National 5s at C or above including English and Maths.

Note: Scottish Vocational Qualifications (SVQ) at Level 2 or 3 may also be counted.

You should also meet the following criteria:

- Aged 16 or over when you start your apprenticeship
- Eligible to work in the UK on a permanent basis
- Not in full-time education.

Monday 2 April.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: JC Futures: School Leaver Programme

Contract: Fixed Term (6 Years)

Salary: Competitive

Employer:

Johnston Carmichael is Scotland's largest independent firm of Chartered Accountants and Business Advisers with expertise across audit, tax, and business advisory.

Work Environment:

The vacancy will be based within our [Audit](#) Department in Edinburgh and the successful applicant will learn alongside our experienced team and at the same time study towards a professional qualification.

What might a day in this job look like?

JC Futures is a six-year training programme. The first year involves transition from school and settling into the workplace. We work with you to develop your basic accounting skills and this culminates in you achieving a Certificate in Bookkeeping. Following the introductory year, you will then study towards a professional accountancy qualification. Alongside this you'll be working within our accounts, audit or tax team, gaining valuable practical experience while studying for your exams.

With hands-on experience from day one, alongside supported training towards your professional accountancy qualification, you'll be on track for a successful and bright career.

What will I learn?

- Successful students will develop core accountancy and business skills from across a wide variety of industry sectors, whilst experiencing the opportunity to build strong working relationships to help develop a longer term career path.
- You will study towards a professional accountancy qualification.

What Qualifications / Qualities are required?

- You should be aiming for or have a UCAS tariff of at least 135 points (or equivalent). Whilst an Accountancy Higher is recommended it is not necessary.
- We're looking for individuals with spark and ambition who can demonstrate attention to detail, take pride in their work and have a real passion to succeed in their professional studies.
- Despite our size, we're a close-knit team so you'll need strong inter-personal skills and be able to communicate well with colleagues and clients.
- Work experience is real advantage but that needn't have been in an accounting or financial environment. As long as you have developed strong transferrable skills which you can apply to a role within our team, we want to hear from you.
- Good time management, problem solving skills and the ability to make sound judgements are also essential alongside a can-do approach to any situation!

Job Title: Artisan Baker - Modern Apprenticeship

Contract: Permanent after trial

Salary: Modern Apprenticeship National Minimum Wage for the first year

Employer:

At the Breadwinner we're passionate about baking. Since 1973 our master craftsmen bakers have been baking in Edinburgh - kneading and shaping dough by hand. We prefer to use traditional, simple methods and allow time to naturally enhance our products, rather than adding anything that would change the quality or flavour of our breads. We're proud of our heritage - and work hard to supply breads, cakes and pastries that are locally made, freshly baked and full of flavour.

Work Environment:

You will be working in a small team within a busy wholesale artisan bakery at South Gyle.

What might a day in this job look like?

- Learn and apply food hygiene and safety practices, personal hygiene, equipment and work place cleaning, stock rotation systems, and the systematic and preventative approach of Hazard Analysis and Critical Control Point (HACCP) in food production process.
- Learn about the main ingredients used in baking and how to use and store them.
- Weigh ingredients according to recipes and calculate the amounts needed for a given yield (output).
- Follow recipes and processes for making baked goods.
- Use and clean specialised machinery (mixers, dough breaker, oven etc) after each use as required.
- Use specialist tools (rolling pin, piping bags etc) for producing products.
- Understand and conduct proper fermentation for yeasted products.
- Hand divide, shape breads and buns and baking goods.
- General cleaning of equipment and work place area as required.
- Reflective practice on all aspects of the job, while constantly striving to achieve high quality and regularity of products.

What will I learn?

You will complete a 3-4 year apprenticeship which will include practical on the job training working closely with some of the best bakers in Scotland. This training will be supplemented by SQA accredited SVQs.

What Qualifications / Qualities are required?

- Qualifications aren't important – we are looking for someone who will be dedicated to learning the skills required to become a fully qualified baker.
- We are looking for a motivated young person with a passion for bread and baking who strives to achieve high standards and pays attention to detail.
- You should have good communication and problem solving skills, be numerate, hardworking, organised and enjoy working in a team.

If you are successful in the first round of interviews, you may be invited along to spend some time in the bakery to see what working there would really be like.
