S1-6 Remembrance Stained Glass Window: After World War 1 letters were sent to the Boroughmuir School Magazine with suggestions such as a drinking fountain, a clock, a library, a hall and of course the memorial that we have brought from the old school building. However, one idea from Jean Denholm suggested a stained Glass Window. With this in mind the S6 Advanced Higher Art & Design pupils have created their stained glass window to commemorate 100years since the end of the war. It can be seen in the window above the Assembly Hall.

We support students who have the potential to achieve a minimum of 3 highers by the time they finish school and match one or more of the following LEAPS eligibility criteria:

This includes students whose parents may have briefly participated in higher education but did not achieve a degree. (Please note that a student who's parent/guardian/carer has achieved any degree – irrespective of mode of study, type of institution, location of study – would not be LEAPS eligible under this criterion.)
- Student from a low income background (for instance, where a student is entitled to EMA, free meals in school, or where the family is on income support.)
- Student who has spent time in care or being looked after.
- Student who is a young carer – by this we mean a young person who cares, unpaid, for a friend or family member who is due to illness, disability, a mental health problem or an addiction who cannot cope without their support.
