Job Title: IT Management for Business - Graduate Level Apprenticeship 2019 - 9 posts

Contract: 4 Years

Salary: £16,479 per annum starting salary plus company benefits

Employer:

At CGI we're offering you a unique opportunity to be part of something exciting and earn while you learn on our Edinburgh Napier Graduate Level Apprenticeship. We're a company that each day enables the transfer of £3 trillion, protects against 43 million cyber-attacks, drives two thirds of the world's SMS messages, support the missions of more than 200 satellites and who employs 74,000 professionals from hundreds of locations worldwide. Certified as a Top Employer for its excellent HR practices, CGI is committed to being an equal opportunity employer and is a disability confident organisation.

Work Environment:

The best thing about joining us is that, while you may start working in one area, the opportunity to move internally is huge, so you can take control of your career from your first day. To support you, you will have designated managers who will look after you on a day-to-day basis and be on hand to support you with your career development and professional conduct at CGI. You will also have a 'Buddy' who is a current or graduated student of a school leaver programme to help you with anything else you may need.

What might a day in this job look like?

Right now, we're on the lookout for talent – students and school leavers, people who are passionate about technology and hungry to learn. You'll be proving yourself from day one – solving problems, taking responsibility and making decisions. And with open-ended prospects for advancement, you'll have every opportunity to reach the top.

Due to the nature of our business, you work on 'projects'. This means you have the opportunity to work across a wide range of roles, industries and locations, there is no 'typical day'. It really does vary at CGI and that's the exciting thing, it is up to you to shape and develop your career in the direction you want to go with the support of others.

What will I learn?

Join our programme and you'll study towards a BSc (Hons) IT Management for Business (ITMB), one day a week at Edinburgh Napier University, whilst spending the other four days a week developing your career on real projects at CGI. You can shape and develop your career throughout the course of the programme then continue with us after graduation.

With our sponsorship, you won't have to pay a penny in tuition fees. You'll also benefit from a competitive starting salary and all the support you need to succeed. We'll even provide the course resources and materials required, so there's no need to worry about textbooks either and you can use the laptop you are given when you join CGI to use at University. Individuals who participate in the scheme are able to access the same learning opportunities as those who go down the traditional route of direct entry into college or university.

What Qualifications / Qualities are required?

The preferred requirement is 4 Highers at grade B or above including one in Maths, Physics or Computing, unless you can show strong technical (programming/development) ability through work experience or extra-curricular activities. Also, at least 7 National 5s at grade 1-3 including English or Maths. Equivalent qualifications are accepted.

Closing Date:

Friday 29 March.

What might a day in this job look like?

Over the duration of the programme, you will likely work within a number of different audit teams and you may be exposed to a wide range of audits in local and central government, the National Health Service and other sectors.

Placements to local audit teams will be agreed by Audit Scotland's senior management and are aimed at helping to build experience within the professional field of audit. You will determine a clear set of objectives for each placement in agreement with your line manager, which will then be agreed with team managers.

As a school leaver, you will also join up with our graduate trainees and have peer support while you learn the job and engage with your studies.

What will I learn?

If you feel university is not for you and you want to enter the world of work while training for a professional accounting qualification, then join us on our five-year school leaver programme. You will earn a competitive salary while gaining vital on-the-job experience as an auditor and studying towards your ICAS qualification with peer support.

What Qualifications / Qualities are required?

You should meet the following criteria:

- achieved or expected to achieve good results in Higher English and Maths or equivalent by summer 2019 (any job offer would be conditional on achieving the required results)
- good communication and interpersonal skills
- self-awareness and confidence to work using initiative
- ability to work well as part of a team
- ability to analyse information and think laterally and creatively
- disciplined and organised with good project management skills.

Closing Date: Sunday 17 March.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: JC Futures: School Leaver Programme

Contract: Fixed Term - 6 Years

Salary: Competitive

Employer:

Johnston Carmichael is Scotland's largest independent firm of Chartered Accountants and Business Advisers with expertise across audit, tax, and business advisory.

Work Environment:

The vacancy will be based within our [Audit](#) Department in Edinburgh and the successful applicant will learn alongside our experienced team and at the same time study towards a professional qualification.

What might a day in this job look like?

JC Futures is a six-year training programme, starting in summer 2019. The first year involves transition from school and settling into the workplace. We work with you to develop your basic accounting skills and this culminates in you achieving a Certificate in Bookkeeping. Following the introductory year, you will then study towards a professional accountancy qualification. Alongside this you'll be working within our accounts, audit or tax team, gaining valuable practical experience while studying for your exams.

With hands-on experience from day one, alongside supported training towards your professional accountancy qualification, you'll be on track for a successful and bright career.

What will I learn?

- Successful students will develop core accountancy and business skills from across a wide variety of industry sectors, whilst experiencing the opportunity to build strong working relationships to help develop a longer term career path.
- You will study towards a professional accountancy qualification.

What Qualifications / Qualities are required?

- You should be aiming for or have a UCAS tariff of at least 135 points (or equivalent). Whilst an Accountancy Higher is recommended it is not necessary.
- We're looking for individuals with spark and ambition who can demonstrate attention to detail, take pride in their work and have a real passion to succeed in their professional studies.
- Despite our size, we're a close-knit team so you'll need strong inter-personal skills and be able to communicate well with colleagues and clients.
- Work experience is real advantage but that needn't have been in an accounting or financial environment. As long as you have developed strong transferrable skills which you can apply to a role within our team, we want to hear from you.
- Good time management, problem solving skills and the ability to make sound judgements are also essential alongside a can-do approach to any situation!

Closing Date:

Thursday 14 March.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Business Apprentice – Assurance

Contract: Permanent

Salary: Up to £21,500 per annum

Employer:

At EY, we help all sorts of organisations make better decisions about business, finance and technology. In a fast-changing world, it's an exciting place to be.

You don't need a degree to start a successful career in business. If you've finished school and want to jump straight in, you can with our apprenticeship programmes. Earn a salary from your very first day. Learn from inspirational colleagues on client projects. Do what you're good at. Learn new skills. Get your professional qualifications before your uni-graduating peers – and go just as far.

Work Environment:

In Assurance, we make sure that businesses are protected from risks that can affect their reputation and performance. As external auditors, we help companies and governments publish accurate financial accounts others can rely on.

You will be based in our office on Morrison Street. To find out more about working in our Edinburgh office, please watch this [short film](#).

What might a day in this job look like?

- Helping businesses publish reliable financial accounts as you progress towards becoming a chartered accountant
- Getting to know our clients, their businesses and how they work
- Testing checks and balances to ensure they work how they're supposed to
- Analysing the data that goes into a financial statement to make sure it is true and fair.

What will I learn?

First up, an induction will verse you in all things EY and, before you know it, you'll be working in a team on audits for clients (with lots of help, of course!). Along the way, you'll be studying and doing exams so you'll progress even faster professionally than your university-going friends. By the time you complete the programme, you'll not only have qualifications equivalent to a Master's degree but lots of practical experience and a network of mentors to help you keep on developing. The programme starts in September 2019 and lasts 4.5 years.

What Qualifications / Qualities are required?

You should have completed five Highers (any grade and can be taken on more than one sitting) or equivalent by the time the programme starts in September 2019.

Job Title: Restructuring Advisory Assistant - School Leaver Apprenticeship Programme

Contract: Permanent

Salary: Competitive

Employer:

RSM is a leading global provider of audit, tax and consulting services to middle market leaders. As an integrated team, we share skills, insight and resources, as well as a client-centric, collaborative approach that's based on a deep understanding of our clients' businesses.

Work Environment:

Our Restructuring Advisory apprenticeship will give you all the skills and support you need to unlock a future that's packed with opportunities and new experiences. You'll enjoy a fast-tracked business career that recognises your potential and rewards your ambition.

When you join our team, you'll enjoy a powerful combination of on-the-job learning and structured training – not to mention an impressive client list to work with. You'll discover a culture that nurtures individuality and an environment where everyone is supported to reach their potential. With us, you'll always be moving forward.

What might a day in this job look like?

The Restructuring Advisory team works with organisations and their advisers, lenders, trustees and creditors to prevent, manage and address issues related to financial difficulty. This could include advice on how to:

- develop an effective turnaround strategy
- manage risk by simplifying corporate structure
- review defined benefit pension covenant strength
- monitor emerging financial risks
- preserve value on distressed real estate projects
- realise value and optimise the outcome of a formal insolvency
- secure an appropriate funding solution
- identify and recover assets after contentious insolvency
- navigate an accelerated transaction.

What will I learn?

You'll get involved in client work very quickly, and get the chance to learn about different types of businesses from varying industry sectors. The depth of services and clients you'll be exposed to early in your career will help you jump-start your accountancy career.

Initially, you'll be working as part of a larger team. Once you've completed your initial professional qualifications, the complexity of your workload will increase, and you'll have the opportunity to take on more individual responsibilities and get involved in more challenging issues. With us, you'll have the space to grow and be challenged. With our support, you'll become a true trusted adviser to your clients.

When you join this team, you'll work towards your AAT professional qualifications.

What Qualifications / Qualities are required?

You will need 112 UCAS points (new tariff) across 3 A Levels or 104 (new tariff) across 4 Highers/Advanced Highers. UCAS changed their points system so under the old tariff it would be 280 or 260 points respectively.

At RSM, we don't just look for good exam results. We think passion, personality and originality are just as important.

Although this role is advertised for the August 2019 intake, it's a possibility that your start date could be prior to this. We can discuss this at interview if of interest.

Closing Date:

Sunday 31 March.

Job Title: Manufacturing Technical - Modern Apprenticeship – 8 posts

Contract: Four years, starting in autumn 2019

Salary: Competitive starting salary

Employer:

Leonardo is an international leader in electronic and information technologies for defence systems, aerospace, data, infrastructures, land security and protection and sustainable 'smart' solutions. We are globally renowned and are continually expanding, offering exciting opportunities to talented people who want to work at the forefront of our technology. Across our technical, engineering and business functions you can look forward to working with highly skilled professionals that are passionate about their work.

Work Environment:

Leonardo's four year Manufacturing Technical Apprenticeship provides a wealth of learning and development opportunities including an HNC in Engineering systems, SVQ Level 2 (PEO) and SVQ Level 3 (Engineering technical support). Working with world-leading specialists, you will increase your technical skills and capability, and develop your academic and practical understanding of the engineering lifecycle.

Leonardo values its people and we reward commitment with a competitive remuneration and flexible benefits package including:

- Competitive starting salary
- Annual incremental pay increases
- 3 performance related pay reviews in the two years following your apprenticeship
- 33 days holiday and flexible working arrangements
- Pension scheme (Contributory)
- Cycle to Work initiative
- Free gym membership.

A career in the defence industry rewards over 162,000 people and generates a £22billion turnover. Come and be a part of a community and work with some of the most talented engineers in the UK on some of the most exciting projects around.

What might a day in this job look like?

You will undertake a series of three-month rotational placements in the methods of testing industry leading radar and laser systems – covering Electronic Testing; Laser Testing; Radar Testing; Industrial Engineering; Test Solutions.

During the rotational placements you will learn how to test complex electrical and mechanical systems to ensure they are safe and reliable. An example of this is when you undertake a placement in our state-of-the-art environmental test facility where you will be testing systems under various environmental conditions including altitude, temperature, humidity and vibration. In other departments you will be office based, looking at our manufacturing processes and how they can be refined to reduce cost, or improve build quality. The rotational placement plan will truly give you a flavour of all aspects of engineering verification and test.

You will be working within cutting-edge facilities and there may also be opportunities for travel between the company's UK sites and to meet with colleagues, customers and suppliers.

What will I learn?

Years 1 and 2:

During your first five months you will be attending college full-time to complete an SVQ Level 2. Once back on-site, you will conduct rotational placements where you will gather real work evidence such as written logs describing day-to-day tasks completed and highlighting the key engineering competencies you have demonstrated. The SVQ Level 3 will require you to complete a folder of this evidence, demonstrating your development into a well-rounded technician/engineer through on-the-job training and are gaining the essential practical skills to succeed. During this time, you will also be attending college on day release to gain the academic qualifications required by the Apprenticeship framework.

Years 3 and 4:

Having gained broad experience across Leonardo, you will undertake a final placement and further your academic study to HNC level. These activities will be focused on your area of specialism and the on-the-job training will enable you to gather the final evidence required for the SVQ. Beyond the programme there may be the opportunity for you to further your academic achievements based on your talents and capability and needs of the business.

What Qualifications / Qualities are required?

You must have (as a minimum) the following academic qualifications:

2 Higher Grades (or equivalent):

- Mandatory: Mathematics (A-C) and Physics (A-C) or Engineering Science (A-C)

Job Title: Manufacturing – Modern Apprenticeship – 8 posts

Contract: Three years, starting in autumn 2019

Salary: Competitive starting salary

Employer:

Leonardo is an international leader in electronic and information technologies for defence systems, aerospace, data, infrastructures, land security and protection and sustainable 'smart' solutions. We are globally renowned and are continually expanding, offering exciting opportunities to talented people who want to work at the forefront of our technology. Across our technical, engineering and business functions you can look forward to working with highly skilled professionals that are passionate about their work.

Work Environment:

Leonardo's three year Manufacturing Apprenticeship provides a wealth of learning and development opportunities including an NC in Engineering Systems, SVQ Level 2 (PEO) and SVQ Level 3 (Engineering technical support). Working with world-leading specialists, you will increase your technical skills and capability, and develop your academic and practical understanding of the diverse world that is manufacturing and supply chain.

Leonardo values its people and we reward commitment with a competitive remuneration and flexible benefits package including:

- Competitive starting salary
- Annual incremental pay increases
- 3 performance related pay reviews in the two years following your apprenticeship
- 33 days holiday and flexible working arrangements
- Pension scheme (Contributory)
- Cycle to Work initiative
- Free gym membership.

A career in the defence industry rewards over 162,000 people and generates a £22billion turnover. Come and be a part of a community and work with some of the most talented engineers in the UK on some of the most exciting projects around.

What might a day in this job look like?

You will undertake a series of three-month rotational placements – covering Mechanical Assembly, Electromechanical Assembly, Electro Optic Assembly, Environmental Facility, Material Supply and Logistics, Master Production Scheduling, Industrial Engineering and Machine Shop – that will springboard you into the world of manufacturing and teach you how to build and test industry-leading radar and laser systems. You'll experience how we manage the flow of material through our supply chain and how we ensure the process is as efficient as possible.

You will be working within cutting-edge facilities and there may also be opportunities for travel between the company's UK sites and to meet with colleagues, customers and suppliers.

What will I learn?

Years 1 and 2:

During your first five months you will be attending college full-time to complete an SVQ Level 2. Once back on-site, you will conduct rotational placements where you will gather real work evidence such as written logs describing day-to-day tasks completed and highlighting the key engineering competencies you have demonstrated. The SVQ Level 3 will require you to complete a folder of this evidence, demonstrating your development into a well-rounded technician/engineer through on-the-job training and are gaining the essential practical skills to succeed. During this time, you will also be attending college on day release to gain the academic qualifications required by the Apprenticeship framework.

Year 3:

Having gained broad experience across Leonardo, you will undertake a final placement, with on-the-job training being more focused on a particular discipline.

What Qualifications / Qualities are required?

You must have (as a minimum) the following academic qualifications:

4 National 5 (A-C) or National 4 (or equivalent):

- Mandatory: Mathematics or Physics and English
- Plus another two subjects, preferably technological subjects e.g. Graphic Communication, Product Design, Craft & Design, Tech Studies, Computing, Woodwork, Metalwork etc.

Other needs:

- A minimum of 5 years permanent residency in the UK
- Successfully complete SC security clearance.

We Value:

- Ability to achieve high performance
- Want continuous improvement
- Develop customer focus
- Able to work together
- Demonstrate self-awareness and confidence
- A passion for technical analysis, judgement and problem-solving.

Closing Date:

Wednesday 13 March.

Job Title: Artisan Baker - Modern Apprenticeship

Contract: Permanent after trial

Salary: Modern Apprenticeship National Minimum Wage for the first year

Employer:

At the Breadwinner we're passionate about baking. Since 1973 our master craftsmen bakers have been baking in Edinburgh - kneading and shaping dough by hand. We prefer to use traditional, simple methods and allow time to naturally enhance our products, rather than adding anything that would change the quality or flavour of our breads. We're proud of our heritage - and work hard to supply breads, cakes and pastries that are locally made, freshly baked and full of flavour.

Work Environment:

You will be working in a small team within a busy wholesale artisan bakery at South Gyle.

What might a day in this job look like?

- Learn and apply food hygiene and safety practices, personal hygiene, equipment and work place cleaning, stock rotation systems, and the systematic and preventative approach of Hazard Analysis and Critical Control Point (HACCP) in food production process.
- Learn about the main ingredients used in baking and how to use and store them.
- Weigh ingredients according to recipes and calculate the amounts needed for a given yield (output).
- Follow recipes and processes for making baked goods.
- Use and clean specialised machinery (mixers, dough breaker, oven etc) after each use as required.
- Use specialist tools (rolling pin, piping bags etc) for producing products.
- Understand and conduct proper fermentation for yeasted products.
- Hand divide, shape breads and buns and baking goods.
- General cleaning of equipment and work place area as required.
- Reflective practice on all aspects of the job, while constantly striving to achieve high quality and regularity of products.

What will I learn?

You will complete a 3-4 year apprenticeship which will include practical on the job training working closely with some of the best bakers in Scotland. This training will be supplemented by SQA accredited SVQs.

What Qualifications / Qualities are required?

- Qualifications aren't important – we are looking for someone who will be dedicated to learning the skills required to become a fully qualified baker.
- We are looking for a motivated young person with a passion for bread and baking who strives to achieve high standards and pays attention to detail.
- You should have good communication and problem-solving skills, be numerate, hardworking, organised and enjoy working in a team.

If you are successful in the first round of interviews, you may be invited along to spend some time in the bakery to see what working there would really be like.

Closing Date: This position will close when a suitable candidate has been found.

Job Title: Support Worker

Contract: Permanent / Relief

Salary: £8.75 per hour

Employer:

Blackwood Homes and Care was founded in 1972 by Dr Margaret Blackwood MBE, a campaigner for the rights and independence of disabled people. Dr Blackwood was awarded her MBE for her dedication to improving the lives of disabled people and bringing awareness to a lack of adapted homes. She was deeply committed to people being able to live independent lives and, following her work to improve their financial situation, set her sights on providing housing that was suitably designed for disabled people. We deliver our vision of helping people live their life to the full in the pioneering spirit of Dr Blackwood by providing high quality housing, care and support for disabled people of all ages, with over 1500 homes across all 29 mainland local authorities in Scotland. Blackwood currently have four care homes across the country and also provide care to people who live in their own homes.

Work Environment:

Blackwood provides high-quality, innovative care for the elderly and people living with physical disabilities and long-term conditions such as dementia and multiple sclerosis. Our Edinburgh Care at Home service operates across the city including Abbeyhill and Leith, Drumbrae, Clermiston and Corstorphine and Edinburgh South. Edinburgh Care Services consists of three teams with each team having a dedicated Team Leader.

What might a day in this job look like?

Our personalised care and support packages enable our customers to live independently and range from a few hours a week to several daily visits. Our Support Workers provide a wide variety of personal care tasks for our customers such as personal hygiene, dressing, medication prompts as well as light household chores. This role involves going out into the community and working individually or alongside another Support Worker (depending on the care visit) where you will visit our customers in their homes.

What will I learn?

- Funding available for SVQ Level 2 training after completion of probationary period
- Fully paid induction and training including moving and handling training and shadowing opportunities with our more experienced carers
- Communication, teamwork and the opportunity to gain a professional qualification within the Social Care sector.

What Qualifications / Qualities are required?

We are looking for someone who is open and honest, takes responsibility, can keep promises, has respect and understanding and can build trusting relationships.

Closing Date:

Ongoing recruitment.

The Edinburgh Guarantee exists to make sure that every school leaver in Edinburgh will leave school with the choice of a job, Further Education or training opportunity.

Job Title: Personal Assistant

Contract: Full and part time opportunities available

Salary: £8.45 per hour

Employer:

ENABLE Scotland is a dynamic and vibrant organisation dedicated to improving the lives of people with learning disabilities and we have full and part time opportunities for you to support people in Scotland to make the most of their lives.

Work Environment:

We have various opportunities in Edinburgh, East Lothian and Midlothian to support people who have learning disabilities to live independently in their own homes or take part in activities we take for granted. And, who knows, it could make a difference to your life as well.

What might a day in this job look like?

Every day is different at ENABLE Scotland and your working day will depend entirely on the person you are supporting and no matter what you do, it will always be supporting that person to achieve their personal goals. So, one day you could be supporting someone to go swimming at the local leisure centre and the next you could be supporting them to achieve their goal of using public transport on their own. Some of our PAs even support people when they go on holiday which could be to the Isle of Arran or Lanzarote!

What will I learn?

What's also great about ENABLE Scotland is that we believe in developing all our staff and provide an extensive training programme, combined with a commitment to create career development opportunities including SVQ Level 2

What Qualifications / Qualities are required?

You don't need experience in care to start your career with ENABLE Scotland. We recruit people based on their values and transferrable skills. No matter where you have worked before; be it retail, admin, warehousing or wherever, we want to hear from you! Sound good so far?

Successful applicants will be able to demonstrate the following:

- The ability to adapt your communication style in order to develop successful and enjoyable relationships with the people we support.
- The commitment to work with individuals through their personal support plans to ensure people achieve their goals and outcomes and celebrate their successes.
- A positive and flexible outlook to your work, and be able to work on your own and as part of a team.

Closing Date:

These positions will close when suitable applicants have been found.
