Dear Parent/Carer,

Boroughmuir High School App

We are launching a Boroughmuir High School app using the services of a company called ConnectUs. The benefits of ConnectUs include:

- A quick and easy way to keep parents up-to-date with school news via the News screen
- The ability to view all forthcoming events easily via the Home screen or Dates screen
- An efficient way to notify parents/carers of important messages for individual/cross year groups via the Messages screen
- Easy access to important information about the school, contact information and useful links via the Information screen
- Easy access to other school systems such as parent pay & the on-line parents night booking system
- Other family members/carers/pupils can also have access to the App

How to get the App

Scan the QR Code from the flyer given to pupils or search for *School App for Parents* in the Google Play or Apple App Store. When you have downloaded and opened the app please search for 'Boroughmuir High School'. You will be asked to enter a Username and PIN code (case sensitive):

App Username: Boroughmuir
App PIN: 0218

You will only be asked to enter this information when opening the app for the first time.

Filtering Messages

You can filter the messages you want to receive. In the Message section, click on the Filter icon to select the message groups that are relevant to your child/children. There is no limit to the number of message groups you can set up. It is important to have the Whole School group selected as important information may be sent out to this group.

Yours faithfully
