TO ALL STAFF: THIS IS NOT A CAT WEEK

TO ALL STAFF & PUPILS:

Good Morning all,

Can I extend a warm welcome to all our returning pupils and a special warm welcome to our new S1. It's great to have our pupils and teachers back in the building and to have Boroughmuir High School up and running again.

Obviously things are going to be a bit different in the weeks and months ahead but it is so important that we all get back to teaching and learning – while of course staying safe.

Please observe and obey the signage around the building and wash and sanitise your hands regularly.

Keep an eye on the school website and TEAMS for information and updates about how we are dealing with our safe return to school.

In the meantime I hope you enjoy reconnecting with your teachers and friends and becoming a full time Boroughmuir High School pupil again.

Mr Dempster

REGISTER TEACHERS - PLEASE INFORM YOUR GROUP

S1-6 Medical Room: Medical Room - if you need to visit the medical room you must get permission from your class teacher. When you arrive in the medical room you will be asked to wear a mask and to sanitise your hands. If you do not have a mask one will be provided for you. Only one person will be admitted at a time with others waiting in the corridor if necessary. Your temperature may be taken and if you have a temperature arrangements will be made for you to go home. There is no longer the facility to use this room as a time out space but you will receive necessary attention and either be sent back to class or asked to sit in reception until your parents can be contacted. Thank you for your help in keeping us all safe.
