TO ALL STAFF: THIS IS NOT A CAT WEEK

**S1 - 6 Stair Changes:** As of today we are making changes to the stairs that you use to go up and down between floors.

**We have changed the direction of each stair.**

**We think this will alleviate overcrowding in certain parts of the building.**

**STAIR 4** (The South West Stair) will now be a **down stair**.

**STAIR 3** (The South East Stair) will now be an **up stair**.

**STAIR 1** (The North West Stair) will now be an **up stair**.

**STAIR 2** (The North East Stair) will now be a **down stair**.

Also, you are permitted to use:

- ALL STAIRS at the end of the day as down stairs to Ground floor level
- Both sides of the Reception Staircase to go down to the front door
- Both front doors to exit the building.
