

S4,5,6 Senior Phase Practical Activities

Summary

From March 15th the next phase of further school opening for S1-6 begins. Detailed information issued on 10/3/21 regarding this can be found here <http://boroughmuirhighschool.org/safe-return-to-school/>.

During this time we would like to maintain an opportunity for limited numbers of S4,5,6 pupils **to work on essential in-school practical work**. This is focused on subjects that have coursework components that require equipment or other in-school resources that cannot be undertaken remotely and to ensure pupils have a secure foundation and course coverage prior to formal assessment taking place in the later stages of the 2020/21 academic session. At this stage not all subjects require an in-school provision.

We must aim to maintain remote learning for S1-6 and our Hub provision both which will continue but do impact on the frequency of sessions available and number of pupils that can attend is restricted due to the 2m social distancing requirement.

Session Timings

Sessions are between 1330-1530 Monday to Thursday and two further session on Fridays at 0845 and 1050.

These timings must be adhered to. Pupils should bring a snack and water. Pupils should go straight to the designated classrooms and register with the class teacher. Pupils must leave at the end of the session.

Pupil Notifications

Pupils will be contacted via TEAMS by their subject teachers to confirm which pupils are to attend each session. It is likely that not all pupils in each subject will be required at each session to do practical work. Only those where it is **deemed absolutely necessary**. Teachers will also confirm room locations and any subject specific resources pupils are required to bring with them.

Timetable Schedule

Opposite is the schedule of when the identified practical subjects may meet with pupils.

Health and Safety - Teaching Staff will insist on these mitigations and pupils who choose not to follow these may be asked to return home.

All Senior phase pupils will be required to exercise 2m social distancing. All Senior phase pupils will be required to wear a face covering – unless they are in possession of a medical exemption.

Pupils must remain in assigned seats or groupings to assist in COVID-19 track and trace purposes.

Regular hand washing and hand sanitizing will take place. All practical equipment will require to be cleaned and sanitized before and after use. Rooms will be ventilated as much as possible.

Pupils must remain in the agreed spaces during each session and there should be limited movement around the school. Pupils should wear masks if using public transport.
