

What would £3000 do?

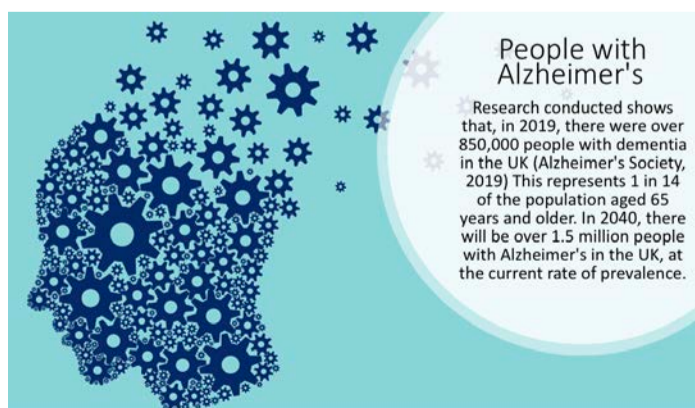

It would help a lot to have £3000 so that the therapists could go in to the group to see the people with down's more often so that they can help more and make the person more able to do things that people without down's can do without thinking such as speaking, and righting and sometimes moving

Children in need Edinburgh/Scotland:

- In Scotland, children in need currently funds 313 projects that have raised more than £18 million. Its backing supports 45 projects to the value of £2,606,893 in Edinburgh and in 2017 they helped more than 17,000 young people in Edinburgh.
