S1-6 Elect Sam Brander to the Scottish Youth Parliament: The Scottish Youth Parliament is the democratically elected voice of Scotland's young people and elections are on from 1st-25th November. Vote for me for more choice over the school subjects that you do for exams, a ban

on unnecessary non-recyclable single-use plastic packaging and a carbon tax for businesses to stop the use of fossil fuels. The SYP can make a big difference and I'll make sure you get a say in what that difference is.
