
The Edinburgh Apprenticeship Programme

Open evening on Tuesday 1 March for students, parents and key influencers

As part of Scottish Apprenticeship Week, we will be hosting an open evening in our Princes Street office on Tuesday 1 March. The event will provide information about the Aberdeen Asset Management programmes available for school leavers.

About the open evening

Our open evening will be a great opportunity for future apprentices, their parents and key influencers to meet some of our current apprentices, have a tour of our offices and find out about our rotational Apprenticeship Programme.

Who is the event for?

- 5th and 6th year school leavers interested in a modern apprenticeship in the financial sector
