S1-6 Mindfulness: Your mind can be your best friend or your worst enemy. It can make life wonderful for you or it can make it miserable. But the most wonderful thing is that you can shape this instrument. You can, literally, change your mind. So if you would like to find out why then why not come along at lunchtime to room 1.05 from 12.50 to 13.30 and learn about Mindfulness. The course will start on Tuesday August 30th and is open to everyone. Bring your lunch the first week and come along and find out a little bit about how taking this course could help you enjoy life a little more, feel more confident and improve your concentration. . You've got lots to gain and nothing to lose!
