S1-6 A day in the life of Boroughmuir: This week the school is running a photography competition with all our pupils to capture 'A day in the life of Boroughmuir High School'. This is part of the school community's efforts to capture images and sentiments on what this old school means to us in the run up to us leaving. In the period Monday 26th – Friday 30th September pupils are encouraged to use phones or cameras to capture images of the building. You cannot do this during class time without your teacher's permission. You cannot photograph others without their permission. At the end of the week you are able to upload your photos to a website where they will ultimately be judged in different categories. The best will be displayed in the new school.
