Dear Parent/Carer

S4 Tracking Reports

This is the first of the Tracking Reports that you will receive this session. It has been completed based on the work that your son/daughter has completed in the course so far.

- The **Next Target Grade (NTG)** is the grade your son/daughter aspires to achieve in each subject and was set after discussion with the class teacher.
- The **Working Grade** is a reflection of the standard of work that your son/daughter has produced in class so far. It is NOT a prediction of potential success in May 2017.

National 5

The Working Grade used by subjects reflects the bands within grades A to D used by SQA as shown below.

Working Grade	SQA Grade
1	Upper A
2	Lower A
3	Upper B
4	Lower B

Working Grade	SQA Grade
5	Upper C
6	Lower C
7	D
8	No Award

National 4

Pupils in a National 4 class do not set a Target Grade. The Working Grades are as follows:

Working Grade	
1	on target to pass the course
9	not yet working at a level that demonstrates likelihood of passing the course

The '**categories**' column (**behaviour, effort and homework**) has an explanation stated clearly on the report. The explanations are fixed by the computer programme, not the school.

TEXT MESSAGE

If we have an up to date contact mobile number the **main contact** should have received a message by 9 October intimating that the tracking reports have been issued. If you did not receive this message please contact the school office with your new contact details.

Yours faithfully,

Mr P Cifelli
