

# BOROUGHMUIR HIGH SCHOOL

## S5/6 Tracking Report – Information

October 2016

- Schools across Scotland now provide tracking reports regularly during the academic year
- This is the first report that you have received
- Tracking reports are designed to give a 'snapshot' of a pupil's effort, behaviour and homework across all subjects. **They are not a predictor of performance in the SQA examinations in May 2017**
- A copy of your son/daughter's S5/6 tracking report is provided overleaf
- Discussions about this tracking report will have taken place (or will take place in due course) between your son/daughter and his/her subject teachers and Pupil Support teacher
- The school will only contact you at this time if we feel there are concerns we need to discuss with you
- There will be an opportunity to discuss your son/daughter's progress with subject teachers at the S5/6 Parent/Carer consultation on **Thursday 2 February 2017** (Hartington/Leamington) or **Tuesday 7 February 2017** (Viewforth/Westhall)
- The next target grade has been set by the teacher following a conversation with your son/daughter.
- The working grade has been given by the class teacher based on work done in August/September. The degree of difficulty of the work at this stage in the course is taken into account by the class teacher when awarding the grade which is in line with SQA grades as shown below.
- The target grade and working grade may change as pupils progress through their courses.

Working Grade	SQA Grade	Working Grade	SQA Grade
1	Upper A	5	Lower C
2	Lower A	6	Lower C
3	Upper B	7	D
4	Lower B	8	No Award
		9	No Award
