S5 **Nuffield Research Placements:** Boroughmuir has assisted students with their applications in recent years. On **Tues 8th Nov** at **Lunch (1pm) Lab 313 (Mr Hembury's lab)** there will be a short meeting where more information can be obtained.

The Nuffield Research Placements offer over 1000 bursaries a year, for students who have an interest in studying Science, Technology, Engineering and/or Maths (STEM) subjects at Higher (e.g. Biology, Chemistry, Physics, Maths, Geography, Computing, Home Economics/Food Technology, Psychology, Music Technology, Product Design, Technological Studies etc.). This is also applicable for those interested in Social Sciences. Projects are 4-6 weeks in length and take place during the summer holidays, giving an insight into the world of research and development. You could be eligible to apply for a bursary of approx **£100 per week** to support them during their project. Placements are available in Edinburgh and the local regions, in universities, industry or research institutions. The closing date is on Feb 24th 2017. **C Hembury**

S5 **Activity: Film Making:** All those who took consent forms to allow filming outside of school must return them to me by next Wednesday. They can be handed in to 0.01 any time before then. **I.T. Barbour**
