

Welcome to

Boroughmuir High School

Our Vision

To ensure a confident, nurturing & inclusive learning community where ALL achieve their true potential & embrace life's challenges.

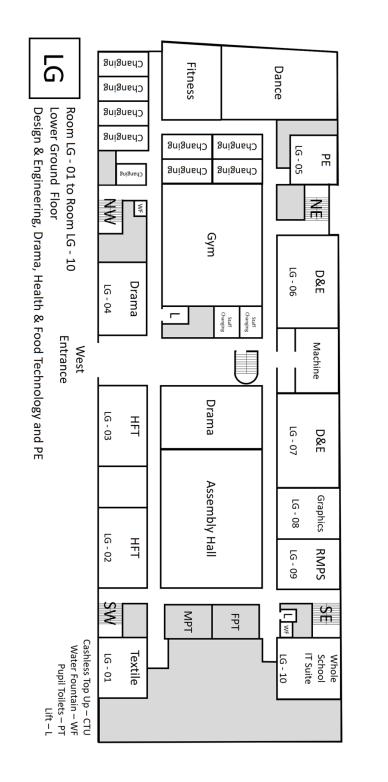

Welcome to Boroughmuir

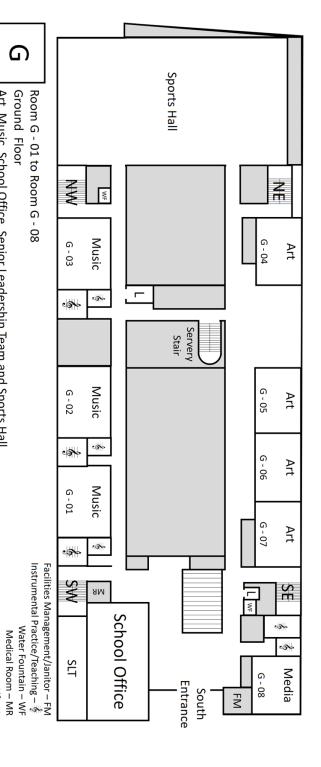

Here is your own map of the building. With time at home you might want to have a look.

Please don't worry about getting lost. No one will get into trouble in the first few weeks and you will learn quickly. When you have a timetable you can work out some routes around the building
