We will try to ensure as many first-choice subjects are achieved as possible. If we have to use a reserve choice subject, we will inform you of your allocated subjects as soon as possible. Please consider your reserve choice subjects carefully.

Take note of the course requirements for each subject. These are listed in the course choice booklets. Please think carefully about courses that you think you will be successful in, that you may require for the future and what you will enjoy!

Some courses are for **S6 only**.

New S5 pupils choose 5 subjects and 2 reserve subjects (labelled as R & S). Choose subjects in priority order with 1 = highest priority. An example is below.
