sign-up

Please sign up with the class teacher providing the sessions. In-school numbers are capped at 20-30. Please only sign up for sessions you know you can go to so as many people as possible have the opportunity to attend.

IN-SCHOOL PROCEDURES

Please sign up with the relevant teacher in advance.

If you cannot make a session, please try to let the teacher know as there may be a waiting list in operation.

On arrival, go straight to the classroom and the teacher will register you there.

On finishing your session, please **leave the building**. The school is not open for general study.

ONLINE PROCEDURES

The teacher may set up a specific Microsoft TEAM for the Easter school. Please look out for this if you sign up, and watch for any specific instructions before the sessions.
