

## **Young Scot Information – Summer 2022**

### **Back-to-School**

Our new Back-to-School Pack includes information and resources for pupils, parents and teachers to help your young people start the new school year with success.

#### [Pupil Booklet](#)

For pupils we have a printable resource to remind them of their national entitlements and our other services such as our Membership discounts. They can find out how to save money on back-to-school supplies and uniforms with their Young Scot National Entitlement Card (Young Scot NEC) and use our handy checklist to keep track of their savings.

#### [Parent/Carer Letter](#)

To make sure everyone is aware of how Young Scot can support young people, we've created a printable letter for parents/carers with a simple run down of our services. So, whether their child needs a gentle push to check out our mental health and wellbeing campaign, or daily reminders to carry their Young Scot NEC, your pupil's parents/carers are in the know.

#### [School Social Media Channels](#)

We know that teachers don't always have additional time to update pupils about our services. Therefore, we've made it as straightforward as possible to share our information and opportunities through whatever channel works for you. Our Back-to-School social media assets can be posted on your school's Twitter, Facebook, Instagram or even Teams. They can also be added to PowerPoints for Registration Check-Ins or added to the school bulletin. Whichever way your pupils stay in the loop, we've got you covered, and it all counts towards your #YSSchools Accreditation.
