TRANSFORM THROUGH TRANSITIONS - LINK LIVING

Link Academy is delighted to be able to run a rolling three-week interactive online programme for people over the age of 16, living in Edinburgh. The team will be running a series of two-hour online workshops aimed at providing those with the tools to better understand their wellbeing and support with sustaining their tenancy.

Our mental health workshops provide people with the skills to recognise and understand the challenges they face. We support participants to develop positive behaviours and teach them self-help techniques to cope with managing day to day life.

Through our Home Skills workshops, participants can better understand how to maintain their tenancy, learn practical skills to make the most of their home and to recognise where to go for support.

Our online workshops are a great way to increase your confidence and meet new people! Each session will include links for additional resources and follow up 1-2-1 support.
