S2-5 Mr Dempster's Retirement:

Friday 28th June is my last day as Head Teacher of Boroughmuir High School. Being Head Teacher of this great school has been an honour and a privilege. The strength of community and ethos that we have in Boroughmuir is exceptional and having that is down to the collective efforts of our incredible staff, parents, and pupils. Thank you all, for all you have done in supporting the school and me personally over the years. Last weeks' whole school assembly was just incredible and was a great illustration of just how great our school is and why I will miss you all so much.
