TO ALL STAFF: THIS IS NOT A CAT WEEK

TO ALL STAFF & PUPILS:

REGISTER TEACHERS - PLEASE INFORM YOUR GROUP

S1-6 **Access to the Atrium:** During the first 15 minutes of break and lunch, you will not be able to access the atrium via the doorway opposite the boys' toilets. This is to ease congestion and crushing around the queue. You can access the atrium via any other staircase. There will be signs and prefects stationed at this point, to remind you. Please also remember there should be no running in corridors and in stairwells. The school is extremely busy, and this is unsafe.

Mrs Fraser

S1-6 **Extension during social times:** Please remember that the extension, including the stair well, is not to be used during social times.

S1-6 **Eco Committee:**

The eco committee is a pupil-run group helping the school become more climate- and nature-friendly. There are subgroups involved in rewilding the school grounds, putting together climate action week, working with lead janitors on the bin system, and even meeting with politicians. There's room for anyone who wants to make a difference, lead a group, or cares about the planet we live on! Monday lunchtimes every week, 3.07.

Mr Bird

S1-6 **World Languages Club:** Bring your lunch to room 1.04 every Monday lunchtime if you would like to join World Languages club, organised by Miss Gray and Miss Menard. Learn any language you like using language apps and games or come to teach your own language(s) to others!
