S1-6 **Access to the Atrium:** During the first 15 minutes of break and lunch, you will not be able to access the atrium via the doorway opposite the boys' toilets. This is to ease congestion and crushing around the queue. You can access the atrium via any other staircase. There will be signs and prefects stationed at this point, to remind you. Please also remember there should be no running in corridors and in stairwells. The school is extremely busy, and this is unsafe.
