**S1-6 Movember 2024:** You may have noticed that some members of staff are slowly growing a moustache! This is to fundraise for Movember, a charity which aims to raise awareness and funds for the health struggles some men face, ranging from mental health to prostate and testicular cancer.

Throughout the month of November, the Movember group will be growing a moustache and/or moving 60km (to highlight the rate of global male suicides, hourly). There is now an option for parents/guardians to donate if they wish to do so.
