S1-6 Equalities Pupil Group: At Boroughmuir HS we celebrate equality and diversity and recognise the difficulties that prejudice and discrimination can bring. This year we would like to recruit a team of enthusiastic pupils who are passionate about equality and diversity to share their ideas and help us take steps to make our school a more inclusive place for all. There are many different areas which the group could focus on including race, ethnicity, sexuality, gender, religion, disability, and poverty. If you are interested, please come along to a meeting in room 2.12 Tuesday the 21st of January at lunch time.

Miss Ross & Mr Smith

S1-6 World Languages and Cultures Club: Bring your lunch to room 1.04 every Monday lunchtime if you would like to join World Languages and Cultures club, organised by Miss Gray and Miss Menard. Learn any language you like using language apps and games, come to teach your own language(s) to others, or use it as a friendly space to get to know others and their cultures.

Miss Gray & Miss Menard

S1-6 Eco Committee: The eco committee is a pupil-run group helping the school become more climate- and nature-friendly. There are subgroups involved in rewilding the school grounds, putting together climate action week, working with lead janitors on the bin system, and even meeting with politicians. There's room for anyone who wants to make a difference, lead a group, or cares about the planet we live on! Monday lunchtimes every week, 3.07.

Mr Bird

S1-2 Minecraft Club: Minecrafters Assemble! We need your help. Our incredible build of Boroughmuir High School needs updating. Will we remove the Go Kart Track from the basement? Will we change the giant statue in the playground to be of Mr Dempster? Who knows! We absolutely will, however, be adding on the Extension and making all the changes that have taken place in the last 4 years.

If you would like to get involved, come along to x1.18 Monday lunchtime.
