S1-6 Eid Celebration! This year, a group of pupils are planning and organising an Eid celebration in school on the 3rd of April. Eid al-Fitr, also known as the 'festival of the breaking of the fast' is one of the most important events in the Islamic calendar. If you would like to be involved in the organisation of this event, please come along to a meeting in room 2.12 at lunchtime on Monday the 24th of February.

S1-6 Supporting Learning Through Our Mobile Phone Policy

Thank you to everyone who follows our mobile phone expectations. By adhering to this policy, you're ensuring that you make the most of every learning opportunity at school.

Please remember that you do not need to bring your mobile phone to school unless it is required for medical reasons. **Mobile phones are not necessary for learning. If you choose to bring your phone, it should be switched off or on silent and kept in your bag during all learning times. This policy begins at 8:32 during registration and applies while moving between classes as well as when you are in class.**

Our school values of respect, resilience, and inclusion are at the heart of this policy. Respect your learning environment and your peers by minimising distractions. Show resilience by focusing on your studies and making the most of every lesson. Embrace inclusion by supporting one another and ensuring that everyone has the best possible learning experience.

For those who need extra support in following this expectation, we are here to help by holding your phone in the school office until the end of the day. Together, we can create an environment that maximizes learning and supports everyone's success.
