| <p>Pupils should bring appropriate clothing for the activity they are working on. Activities can be indoor and outdoor so preparing for the weather is important.</p> <p>PE clothes should be different from those worn to school. During PE lessons all jewellery must be removed and long hair tied back. We encourage families to send young people in with safety equipment, such as shin pads, for activities such as hockey and football, should they have them. We will try to provide for those who wish to use protective equipment but do not have access to any. This is not compulsory but encouraged.</p> | |
